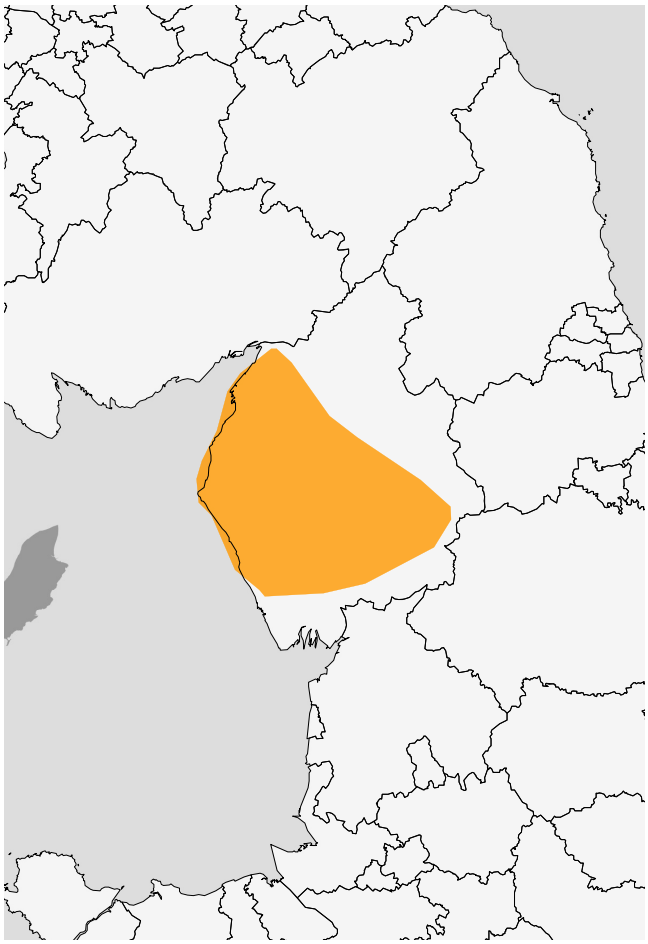
Amber warning
Rain

Between
15:00 Wed 27 Oct 2021 and
23:59 Thu 28 Oct 2021



Persistent, heavy rain leading to flooding and disruption.

What to expect

- Homes and businesses flooded and damage to some buildings
- Danger to life from fast flowing or deep floodwater
- Delays or cancellations to train and bus services
- Spray and flooding leading to difficult driving conditions and some road closures
- Some communities cut off by flooded roads
- Power cuts and loss of other services to some homes and businesses

Further details

Persistent, heavy rain will continue through Wednesday, overnight and for much of Thursday. 100 to 150 mm rain is likely to accumulate quite widely through this period, with 200 to 250 mm falling over prone fells, mainly across the west of the warning area.

Rain is likely to become more showery and less persistent, albeit still heavy at times, during Thursday night and perhaps Friday morning, with a separate yellow warning still in force at that time.
